writer, essayist, poet
and translator

Introduction to Library's services and sources

Yu Ya'nan

Outline

- ☆ Some information about SMU Library
- ☆ Library's Service
- ☆ E-Resources

General Introduction

- ★ There are two libraries in SMU. One is the main library in Guangzhou, the other is Shunde campus library.

Main library

Shunde campus library

Opening Hours

- ★ Monday through Sunday 8:00 ---- 22:00
(For holidays and vacations, please refer to the special notice.)
- ★ Library Website: 24 hours per day, 7 days per week
E-Resources: 24 hours per day, 7 days per week

Library Card

- ★ Your university card serves as your library card for borrowing materials and access to the library.

Using the card

- ☆ Cardholders may use valid cards to access library and library service. Please bring cards anytime when visit library, use them properly, and give assistance when needed.

智能门禁管理系统

IC卡

上海盛卡思

Using the card

- ★ Each ID card may only be used by the person named on it. Never lend cards to others, you are responsible for anything borrowed on your card.
- ★ Readers misuse cards will be given holds at least 1 month or face University discipline in some cases.

Behaviors in the library

- ✧ Silence shall be maintained as far as possible in the library.
- ✧ Mobile telephones must be set to "silent" mode in the library; the use of mobile phone is only permitted in the area outside the reading rooms and self-study rooms.

SILENCE

Behaviors in the library

- ✧ Food and drink shall not be taken into the library.

**We love
these too.**

STOP

Behaviors in the library

Allocations

- 1F Service center, refreshment zone, E-reading area, printing machine, library computers, self-services, new arrivals
- 2F SMU teaching materials, Group study rooms, donated books from graduates, special collections
- 3F Classic works by famous writers, Teaching materials, Group and individual study rooms, Drinking water machine
- 4F Foreign language books, Reference books, donations from Asia Foundations, Group study room, individual study rooms, Drinking water machine
- 5F History museum

Main reading area

Library's Service: Borrowing

- ★ Loan quotas: 100 books
- ★ Journals are limited for reading in the library only.
- ★ Loan periods for new books are 2 weeks.
- ★ Loan periods for general books are 8 weeks.

Returns

☆ circulation centre

☆ Self-service Returning System

自助借还书系统

注意！听到语音提示成功后将书拿开

去基基图书馆自助借还书

温馨提示

1. 请读者在自助借还书系统前，将书放入指定位置。
2. 系统会自动识别书籍信息，并显示在屏幕上。
3. 请读者在系统提示成功后，将书拿开。
4. 如有疑问，请咨询图书馆工作人员。

南

Renewing

- ★ Renewing books in person in the library
(Service Center, F1)

Notice

- ☆ According to the library regulations, each general book can be renewed once. The loan period, which is reckoned from the day of borrowing, is of 90 days at most. As a result, readers should remember the time of return. A charge is made for the late return of books.
- ☆ If your book has been overdue, you can't find the link of renewal in spite of proper operation. Please return it to the library.

Overdue Fines

- ★ Fines for books returned late will be charged as ¥0.10 / Day /book

Leaving school

- ✧ Before departure from the university, the card holders should return all the materials borrowed from library and pay off the fines or claims for missing books.

- ☆ Concise text supplemented by stunning visuals, audio and animations

Common palmar digital arteries

These arteries arise from the convexity of the superficial palmar arch and pass distally in the palm. They anastomose with the palmar metacarpal arteries which arise from the deep palmar arch.

Pathology

Because of their superficial position these vessels are vulnerable to injury.

A single common digital artery injury may be treated by ligation as a good circulation will reach the digits from adjacent common digital arteries. Where numerous vessel injuries occur, microvascular repair is advised.

AccessMedicine & AccessSurgery

- ✧ Nearly one hundred kinds of classic medical textbooks published by McGraw-hill companies (AccessMedicine platform: more than 60, AccessSurgery platform: 17)
- ✧ Videos, images and other multimedia datas
- ✧ Drug information database: users can find and browse drugs according to corresponding information, drug's generic name, trade name, classification and so on

AccessMedicine & AccessSurgery

- ☆ AccessMedicine platform also provides popular self-test questions of clinical textbooks; AccessSurgery platform provides more than 4000 surgery knowledge self-test questions and answers and related principle explanation;
- ☆ Provide online test and disease diagnosis and identification information.

☆ Where is Service Center of the main library ()

A. 1/F

B. 2/F

C. 3/F

Question 3

Journals are limited for reading in the library only ()

A. right

B. wrong

Question 4

- ★ Loan periods for new books are ()
- A. One week
 - B. Two weeks
 - C. Three weeks

Question 5

- ☆ Food and drink can be taken into the library. ()
- A. Right
- B. Wrong

A dimly lit library interior with rows of bookshelves and study chairs. The ceiling has a grid of recessed lights. The floor is polished and reflects the overhead lights. In the foreground, two study chairs with yellow seats and dark backs are visible. The background shows long aisles of bookshelves filled with books.

Enjoy library; Enjoy study

THANK YOU
